

Instructions for Visitors: Emergency Coordination Center (ECC)

GENERAL GUIDELINES FOR CONDUCT

- Keep the identification card provided at the entrance to the ECC visible at all times.
- Be aware of the location of evacuation routes, fire extinguishers, alarm push buttons, and other emergency equipment.
- Respect and follow the guidance provided by the center's personnel and security staff.

IN CASE OF EVACUATION

- The general evacuation of the building begins when the continuous alarm signal sounds.
- Remain calm and act calmly, without running or shouting.
- Follow the instructions of the alarm and evacuation team, as well as the building security staff.
- Leave the area as quickly as possible and proceed to the designated assembly points (**GVA parking / MAIN parking**).

IF YOU DISCOVER AN EMERGENCY

- Remain calm and act with composure.
- Move away from the affected area.
- Report the emergency to the nearest staff member or call 1-1-2.
- Wait for instructions from the emergency teams, who will act according to the Emergency Plan established at the ECC.
